LIBRARY REPORT.

The Board of Trustees of the Public Library hereby submit their Eighteenth Annual Report.

At the Annual Meeting of the Library Trustees, Rev. J. P. Newell was elected president and treasurer, Mrs. Mary J. S. Campbell secretary, and Mrs. Jennie F. Center librarian.

There is but little that needs special mention in this report. The library has been well patronized during the past year, and has answered in every respect, the beneficent purpose for which it was founded. It is growing from year to year in size and value, and contains at the present time, more than fifteen hundred volumes. It has been the policy of the trustees to purchase only such books as they believed to be the very best to be obtained with the means at their disposal.

Considerable reading matter has been donated to the library during the year, as will be seen by the librarian's report. Among the books given are, Bench and Bar of New Hampshire, and History of Exeter, N. H., from Mrs. Helen Fowler Mrs. Mary P. Bailey, daughters of Judge Bell; and Story of the New World, Pictorial History of the World's Great Nations, and Heroes of the Dark Continent, from Mr. Amos Saunders; and Tournament of Roses from Nilla M. Reid.

It is hoped that the Scrap Book, kept at the library, may

not be forgotten by those who have interesting items of local interest that ought to be preserved.

We are under renewed obligations to Mrs. Clarissa Griffin for continuing to furnish, rent free, the convenient room in her house for the use of our library. And we are fortunate still to retain the efficient services of our librarian, Mrs. Jennie F. Center.

Respectfully submitted,

J. P. NEWELL,

For the Trustees.

Report of the School Board.

During the spring 1909 school was kept in school houses Nos. 2 and 4. No. 2 school was taught by Miss Julia A. Bixby, under whose capable and progressive management the pupils showed a marked improvement in scholarship. Two of the pupils passed examinations to enter higher schools in the fall, making in all six pupils from our town in attendance at high schools and academies. Also we have two pupils from the south part of the town attending the district school in Hudson.

No. 4 school included the pupils from No. 3 school. This school was taught by Miss Harwood, who although an inexperienced teacher labored hard to sustain good order. I especially wish to commend her Memorial Day exercises which were of a very interesting character.

At the beginning of the fall term by a vote of the school board, it was decided to concentrate our pupils in one school, conveyance being made accessible by the electric cars, and employ a Normal graduate as that course has been advocated by our state superintendent. We feel that we made a successful choice in Miss Bertha Crowell, who had had four years experience in schools of Massachusetts and New Hampshire.

The pupils seemed to have advanced in their regular studies and the introduction of drawing, music, and gymnastics have awakened new interest. We would respectfully suggest that citizens and parents should visit the

school, as such an expression of interest stimulates both teacher and children to greater efforts.

Our repairs have consisted in the placing of a few more seats and desks in the school room, and the addition of 9 yards 36 inch blackboard (slated cloth). A new teacher's desk is much needed, and would suggest that it be supplied the coming term.

According to the new law passed at the last legislature we respectfully ask for the school money, as required by law, two hundred (200) dollars for tuitions; thirty (30) dollars for text books and supplies; forty-five (45) dollars salaries of school board, truant officers, clerks and such other district officers as district provides for.
